Dear Sir:

Under separate cover, we are sending you a tablet struck in bronze after a model by Julio Kilenyi, commemorating the inauguration of passenger schedules from New York to Atlanta, and Miami.

Please accept this souvenir as an expression of our good will to you and the testimony that our company is resolved to apply to a new and broader public service, the same standards of efficiency and dependability that have marked our transport of air mail for more than 3,000,000 miles.

Cordially yours,

Thomas B. Doe  
President.
